Bilstein Mod Lite STARS release 2018 rules.

Basic rules remain the same with biggest change within the regional and weekly point system. Bill Bauer, President of Competition & Racing Operations announced the change with the release of the 2018 rules. “We’ve had this point system for years that incorporate weekly and regional events” Bauer stated. Starting in 2018 points will be awarded for weekly racing with drivers receiving points for their top 12 results.

There were rumors that we were looking at changing our tire program, but that is untrue. Our Hoosier STARS plated tire will remain as our primary tire for the Mod Lite STARS and we are not looking at any other tire options at this time” Bauer stated. “We still have two years remaining on our three year Hoosier agreement and it is premature to be talking with other tire companies” Bauer stated.

Any questions concerning the 2018 rules can be directed to Bill Bauer and can be reached at 814-442-1738.
